

## **Introductory Workshop to Numicon in KS1 and EYFS**

**WEDNESDAY 18TH MAY – 9.15AM – 12.PM**

**Do you have Numicon in your class (or cupboard!) and not sure how to use it? This practical half day course will introduce you to Numicon and the rationale behind it. This introductory workshop will give you the opportunity to:**

**Explore the benefits of using Numicon with all children;  
Experience how the Numicon approach supports a mastery approach to learning mathematics;  
Cover 'Getting Started' activities to familiarize you with the resources and the theory behind the Numicon approach.**

**This workshop will also help Teachers and Teaching Assistants to understand how structured apparatus help underpin the key mathematical ideas**

**Course suitable for: Any teacher or Teaching Assistant who is in KS1 or EYFS.**

**Course Costs:**

**£80 for alliance members**

**£100 for non-alliance members.**

**This course includes a free visit to Sharley Park Community Primary School.**

**To secure a place on the course please email:**

**[a.virdee@longwood.derbyshire.sch.uk](mailto:a.virdee@longwood.derbyshire.sch.uk)**

**Please park in the co-op car park on Wellington Street, a short 2 minute walk from our offices. The 3 hour stay is for free.**

## **Introductory Workshop to Numicon KS1 EYFS**

**Be confident to begin using Numicon in your maths lessons**

**Have experienced a range of practical activities to take back to your classroom.**

**Have an understanding of the concrete, pictorial and abstract model of learning.**

**A half day course giving an overview of Numicon for KS1 & EYFS**

**Practical examples**

**Delivered by Julia Morgans - Every Child Counts Lead Mathematics Trainer**
